

Welcome the World into Your Home

The Nova Scotia International Student Program is a joint venture between the school boards and provincial Department of Education. The NSISP welcomes students from around the world to learn our language and culture. At the heart of the NSISP is the homestay program—as living with a Canadian family is the best way to learn English and experience Canadian culture.

"Besides developing lasting friendships, this program enables you to learn about another culture and country without leaving your front door. Who could ask for more!"
